

GREENFEE® CERTIFICATE

This certificate guarantees that the designated amount of CO² has been sequestered in the PEFC certified project Weilheim No. 01 by our forest partner and is stored by the blockchain based greenfee® system.

WITH THE PURCHASE OF THIS CERTIFICATE

30 TONS WERE NEUTRALIZED BY

Survey Compass GmbH

The buyer participates in the voluntary emissions trading scheme and, by neutralizing the greenhouse gas, makes a contribution for an environment worth living in. The holder of this certificate is sustainable in the efforts against global warming and supports the global warming and supports the UN Sustainable Development Goals!

WE NEUTRALIZE EMISSIONS!
GUARANTEED!
